

Getting Started

All “educator” activity should take place in the Educator Hub

<https://hub.bloxelsbuilder.com>

Bloxels EDU App - Logging In

Enter your email and password, then click “GO!”

The image shows a screenshot of the Bloxels EDU App's Educator Login page. The page has a light blue background. At the top center is the logo "BLOXELS. edu." with a small square icon to the right of "edu.". Below the logo is a white rectangular box containing the login form. The form is titled "Educator Login" in bold black text. It has two input fields: "Email Address" and "Password", both with rounded rectangular borders. Below the "Password" field is a blue link that says "Forgot Password?". At the bottom of the form is a green rounded rectangular button with the text "GO!" in white. Below the button are two more blue links: "Sign Up for an Educator account" and "Are you a home user? Log in here".

Creating a Classroom

Start by creating a new classroom if you have not already.

The screenshot displays the BLOXELS edu. website interface. The top navigation bar is teal, featuring the BLOXELS edu. logo on the left, a user profile for Roberto Benneto (PixelRob) on the right, and a shopping cart icon with a red notification bubble. A large red arrow points from the text above to the 'CLASSES' section header. The left sidebar is teal and contains links for RESOURCES, TUTORIALS, CLASSES (highlighted with a red bar), and SUPPORT. The main content area is light gray and titled 'CLASSES'. It includes a green 'CREATE CLASS' button in the top right corner. Below this, there is a '+ CREATE CLASS' button and a card for a class named 'Stuff' with '2 Students'. A modal dialog titled 'Create a New Classroom' is open in the center, prompting the user to 'Give a name for your new classroom'. The modal contains a text input field with the placeholder text 'Example Class' and a green 'OK' button. At the bottom left, there is a section for 'ACTIVE STUDENT ACCOUNTS' with a progress bar showing '47 OF 60'.

Adding Students

Click “Add Students”

This is the Class Code

The screenshot displays the 'CLASSES' management interface. At the top, there's a header with 'CLASSES' and a 'CREATE CLASS' button. Below this, a navigation bar shows '← Example Class' with a settings icon, and tabs for 'STUDENTS', 'CLASS LIBRARY', 'DECK PACKS', and 'ARCADE'. The 'STUDENTS' tab is active. On the left, the 'Class Code' is 'JECNE5'. Below it is a search bar labeled 'Search:' with a magnifying glass icon and the placeholder text 'LAST NAME OR USERNAME'. On the right, there's a 'Show Passwords' toggle set to 'OFF' and a 'Sort' section with two dropdowns: 'Last Name' and 'A-Z'. At the bottom, there are two cards. The first card has a blue plus icon and the text 'ADD STUDENTS'. The second card shows a pixelated butterfly icon, the text 'New Student', and 'NewStudent3'.

Adding Students

If this is your first time, click “CREATE NEW STUDENTS”

The screenshot shows a web interface for adding students. At the top, a progress bar has four steps: START, ADD EXISTING, CREATE NEW, and REVIEW SELECTION. The 'START' step is active, indicated by a blue circle. Below the progress bar, the heading 'How would you like to add students?' is followed by a paragraph: 'From here you can add existing students from your [community](#), create new students one-at-a-time, or upload a CSV file with your students' information.' Below this text are two buttons: 'ADD EXISTING STUDENTS' and 'CREATE NEW STUDENTS'. A red arrow points from the text above to the 'CREATE NEW STUDENTS' button. At the bottom of the interface, there are two buttons: 'CANCEL' on the left and 'NEXT' on the right. In the bottom right corner, the text '0 students selected out of 13 available seats' is displayed.

Adding Students

Fill in their First Name, Last Name and Username, then hit plus (+)

The screenshot shows a web interface for adding students. At the top, a progress bar has four steps: 'START', 'ADD EXISTING', 'CREATE NEW' (which is the current step), and 'REVIEW SELECTION'. Below the progress bar, the heading 'Create New Students' is followed by the text: 'Here, you can create one student or upload multiple students. These students will be added to your [community](#).' There is an 'UPLOAD FILE' button with an upload icon. Below this is a form with three input fields: 'New', 'Student', and 'NewStudent1'. To the right of these fields is a plus sign (+) button. To the right of the plus sign are two icons: a grid and a list. Below the form, it says '0 Students'. In the center of the main content area, it says 'No Students to show'. At the bottom right, it says '0 students selected out of 13 available seats'. At the bottom left is a 'BACK' button, and at the bottom right is a 'NEXT' button. A red arrow with a white outline points from the text 'Then click "/>

Adding Students

You should now see your student in the roster. Click “NEXT”

The screenshot shows a multi-step process for adding students. At the top, a progress bar has four steps: START, ADD EXISTING, CREATE NEW (which is the current step), and REVIEW SELECTION. Below the progress bar, the title 'Create New Students' is displayed. A sub-header states: 'Here, you can create one student or upload multiple students. These students will be added to your [community](#).' Below this is an 'UPLOAD FILE' button. Underneath the button are input fields for 'first name', 'last name', and 'username', followed by a plus icon. To the right of these fields are two icons: a grid and a list view. Below the input fields, it says '1 Students'. A table with the following columns is shown: 'Selected', 'Student', 'Username', and 'New or Existing'. The table contains one row with a green checkmark in the 'Selected' column, a student icon and the text 'New Student' in the 'Student' column, 'NewStudent3' in the 'Username' column, and 'New' in the 'New or Existing' column. A red arrow points to the 'Student' column header. At the bottom right, it says '1 students selected out of 13 available seats'. At the bottom are two buttons: 'BACK' and 'NEXT'.

Bloxels EDU App - Logging In

All “student” activity should take place in the Bloxels EDU App which can be found here:

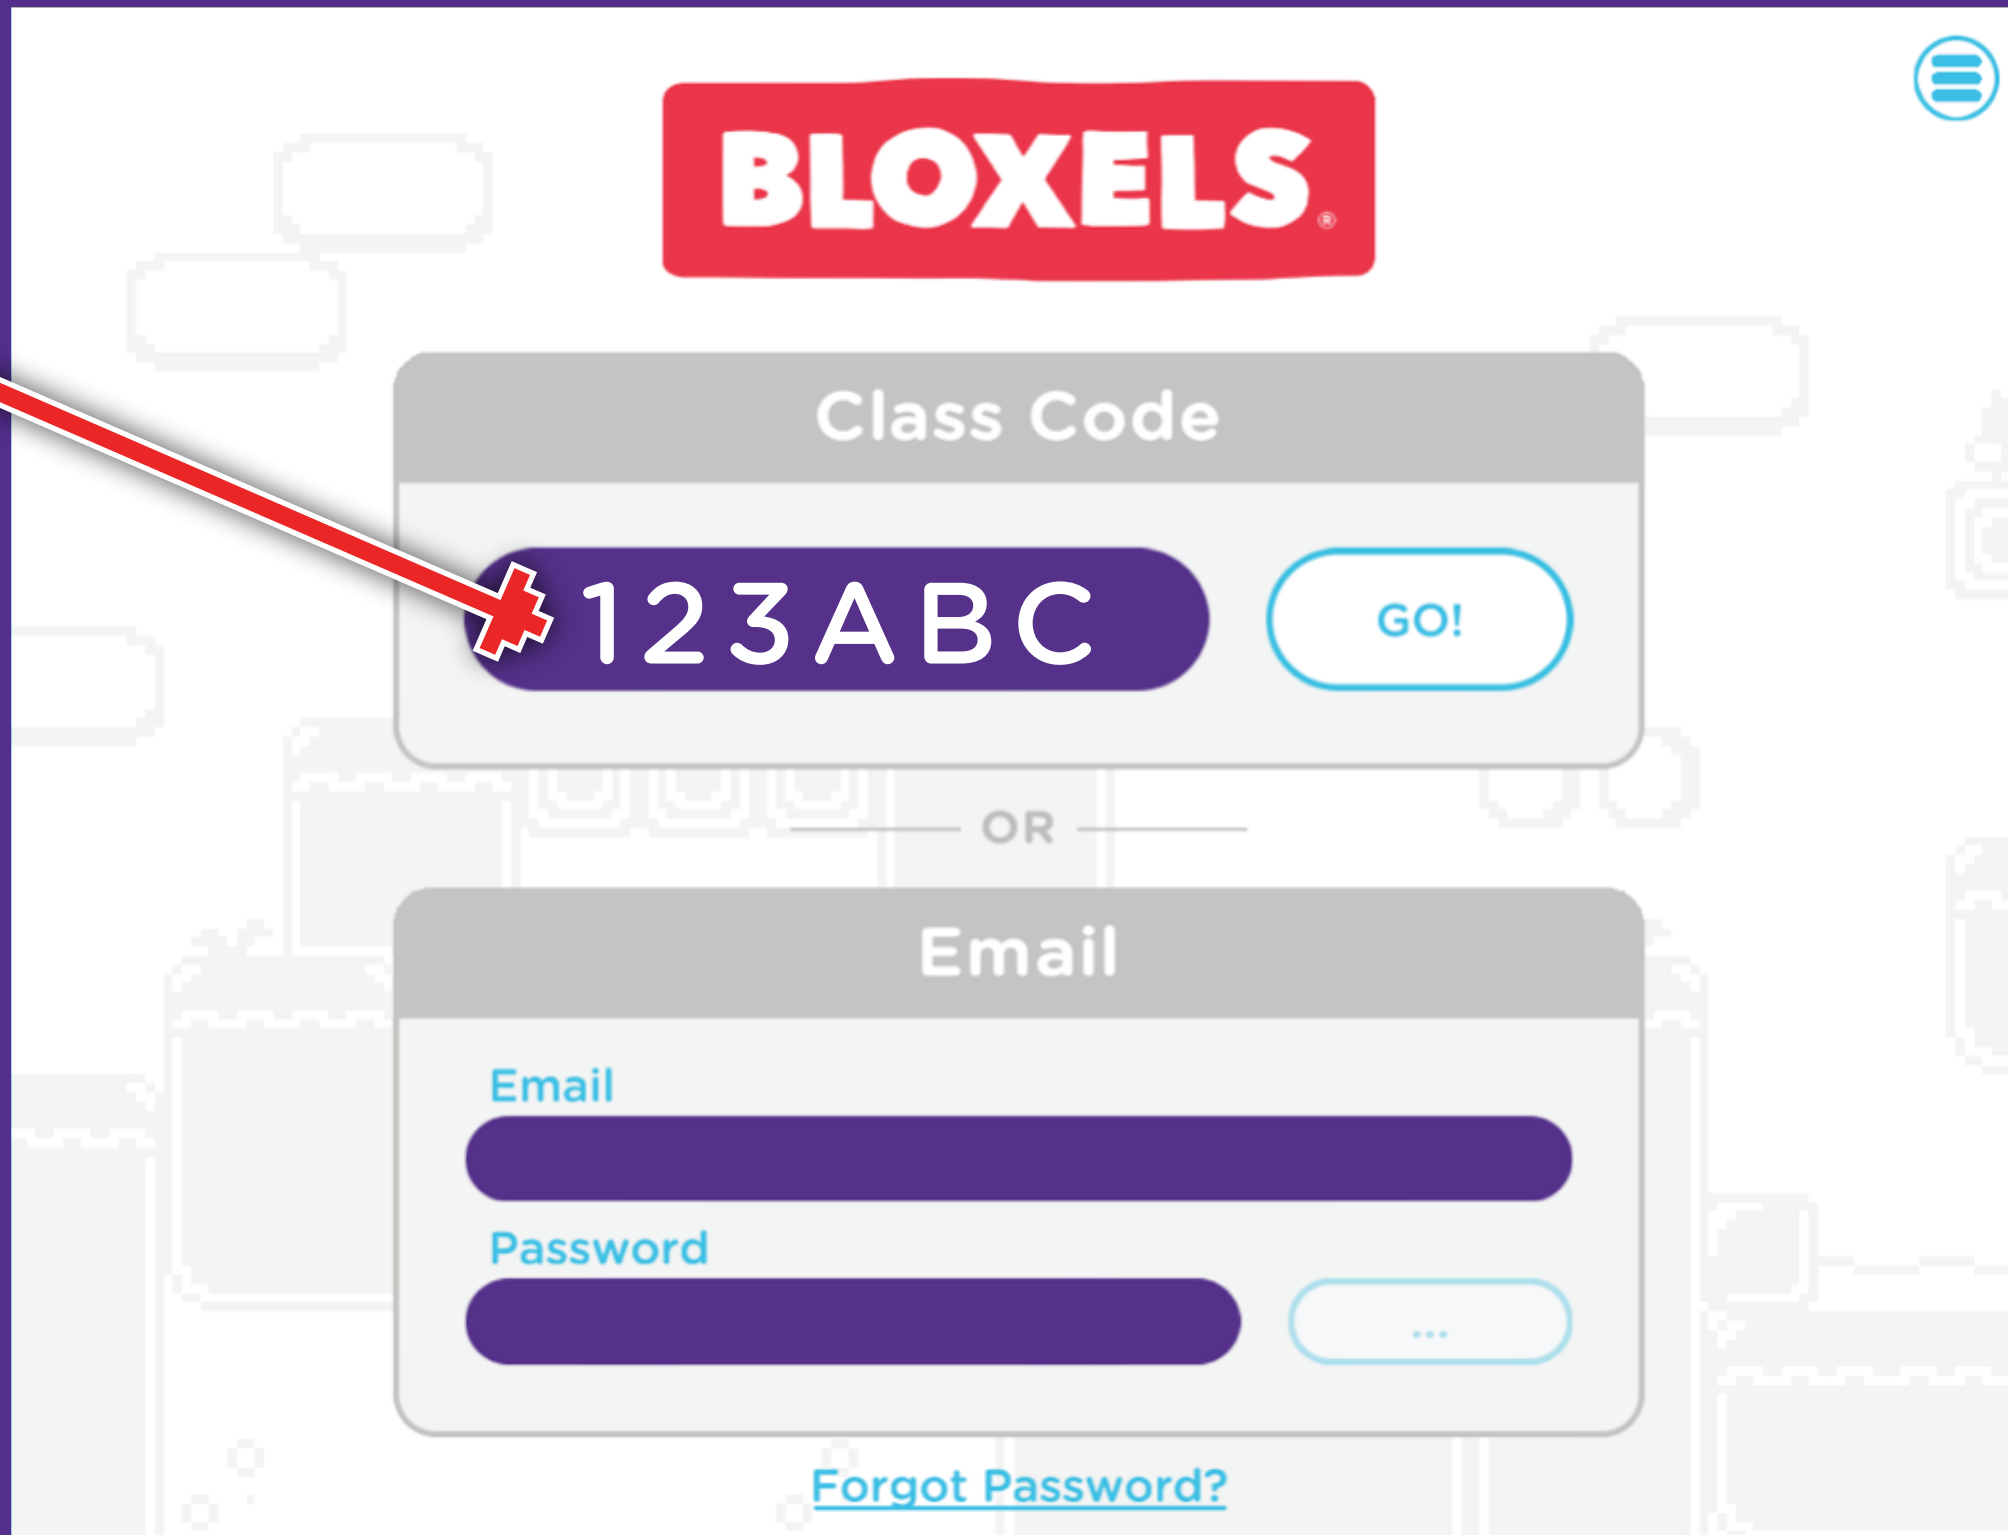

Bloxels EDU is also available on the web at
<http://build.bloxels.co>

Bloxels EDU App - Logging In

Have your students enter the “class code”

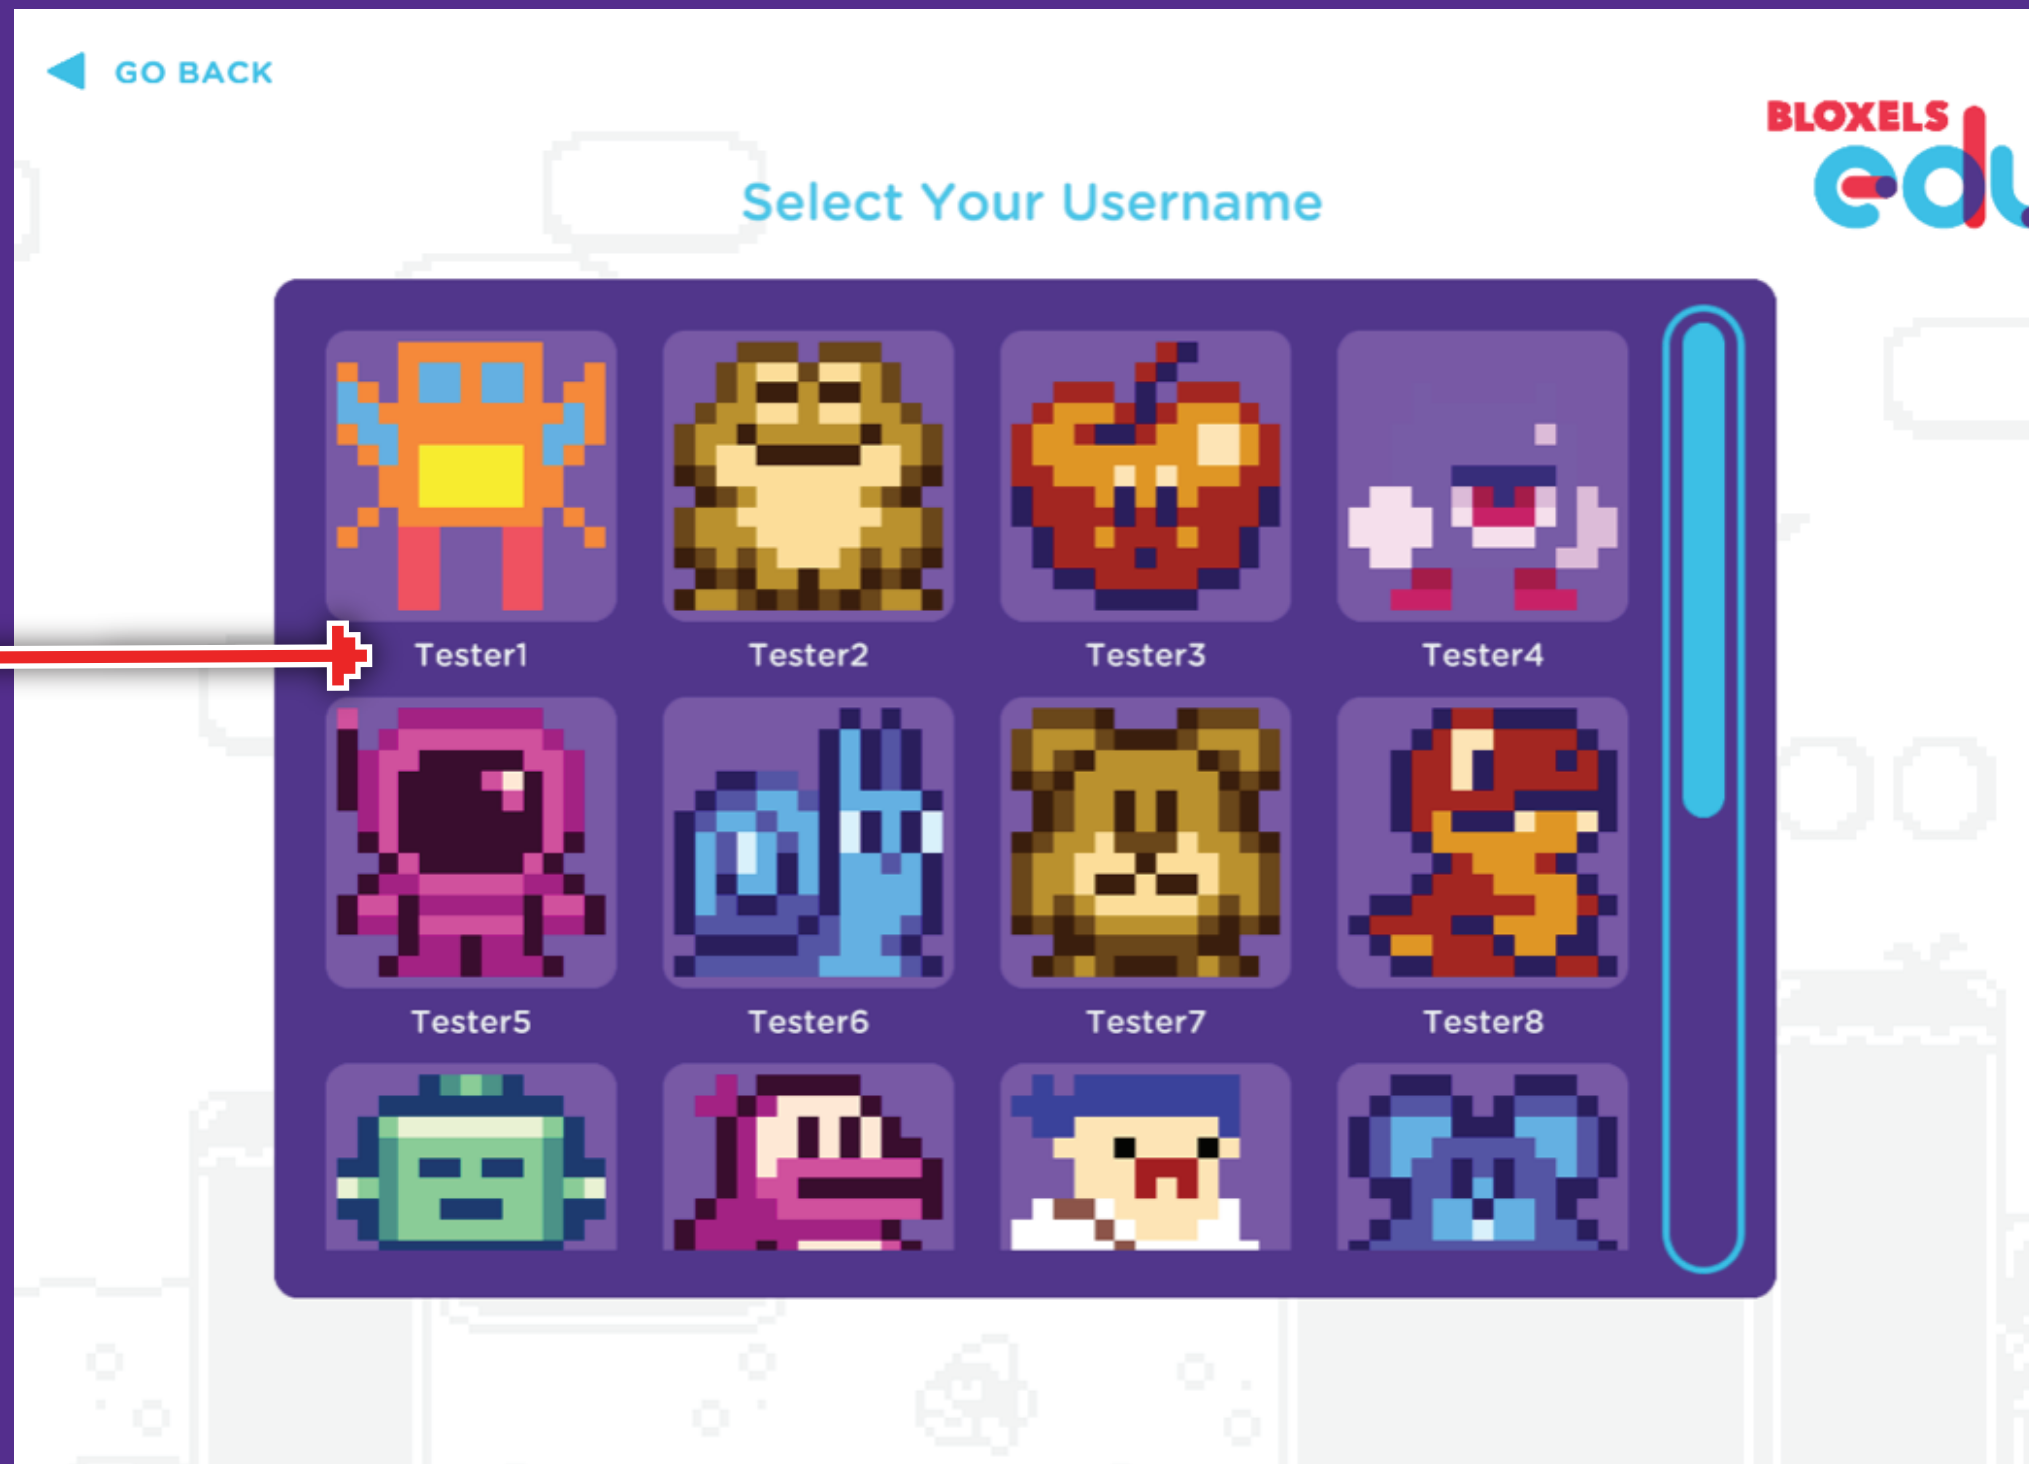

This is an example.
Your code will be
different. Find your
class code in the
EDU Hub.

The image shows the login interface of the Bloxels EDU App. At the top is the **BLOXELS** logo in a red rounded rectangle. Below it is a grey box titled "Class Code" containing a dark blue input field with the text "123ABC" and a red asterisk icon to its left. A red arrow points from the explanatory text on the left to this asterisk. To the right of the input field is a blue-outlined button labeled "GO!". Below the "Class Code" box is a grey box titled "Email" containing two dark blue input fields, one labeled "Email" and one labeled "Password". To the right of the "Password" field is a blue-outlined button with three dots "...". At the bottom of the screen is a blue link that says "Forgot Password?". In the top right corner, there is a blue circular icon with three horizontal lines.

Bloxels EDU App - Logging In

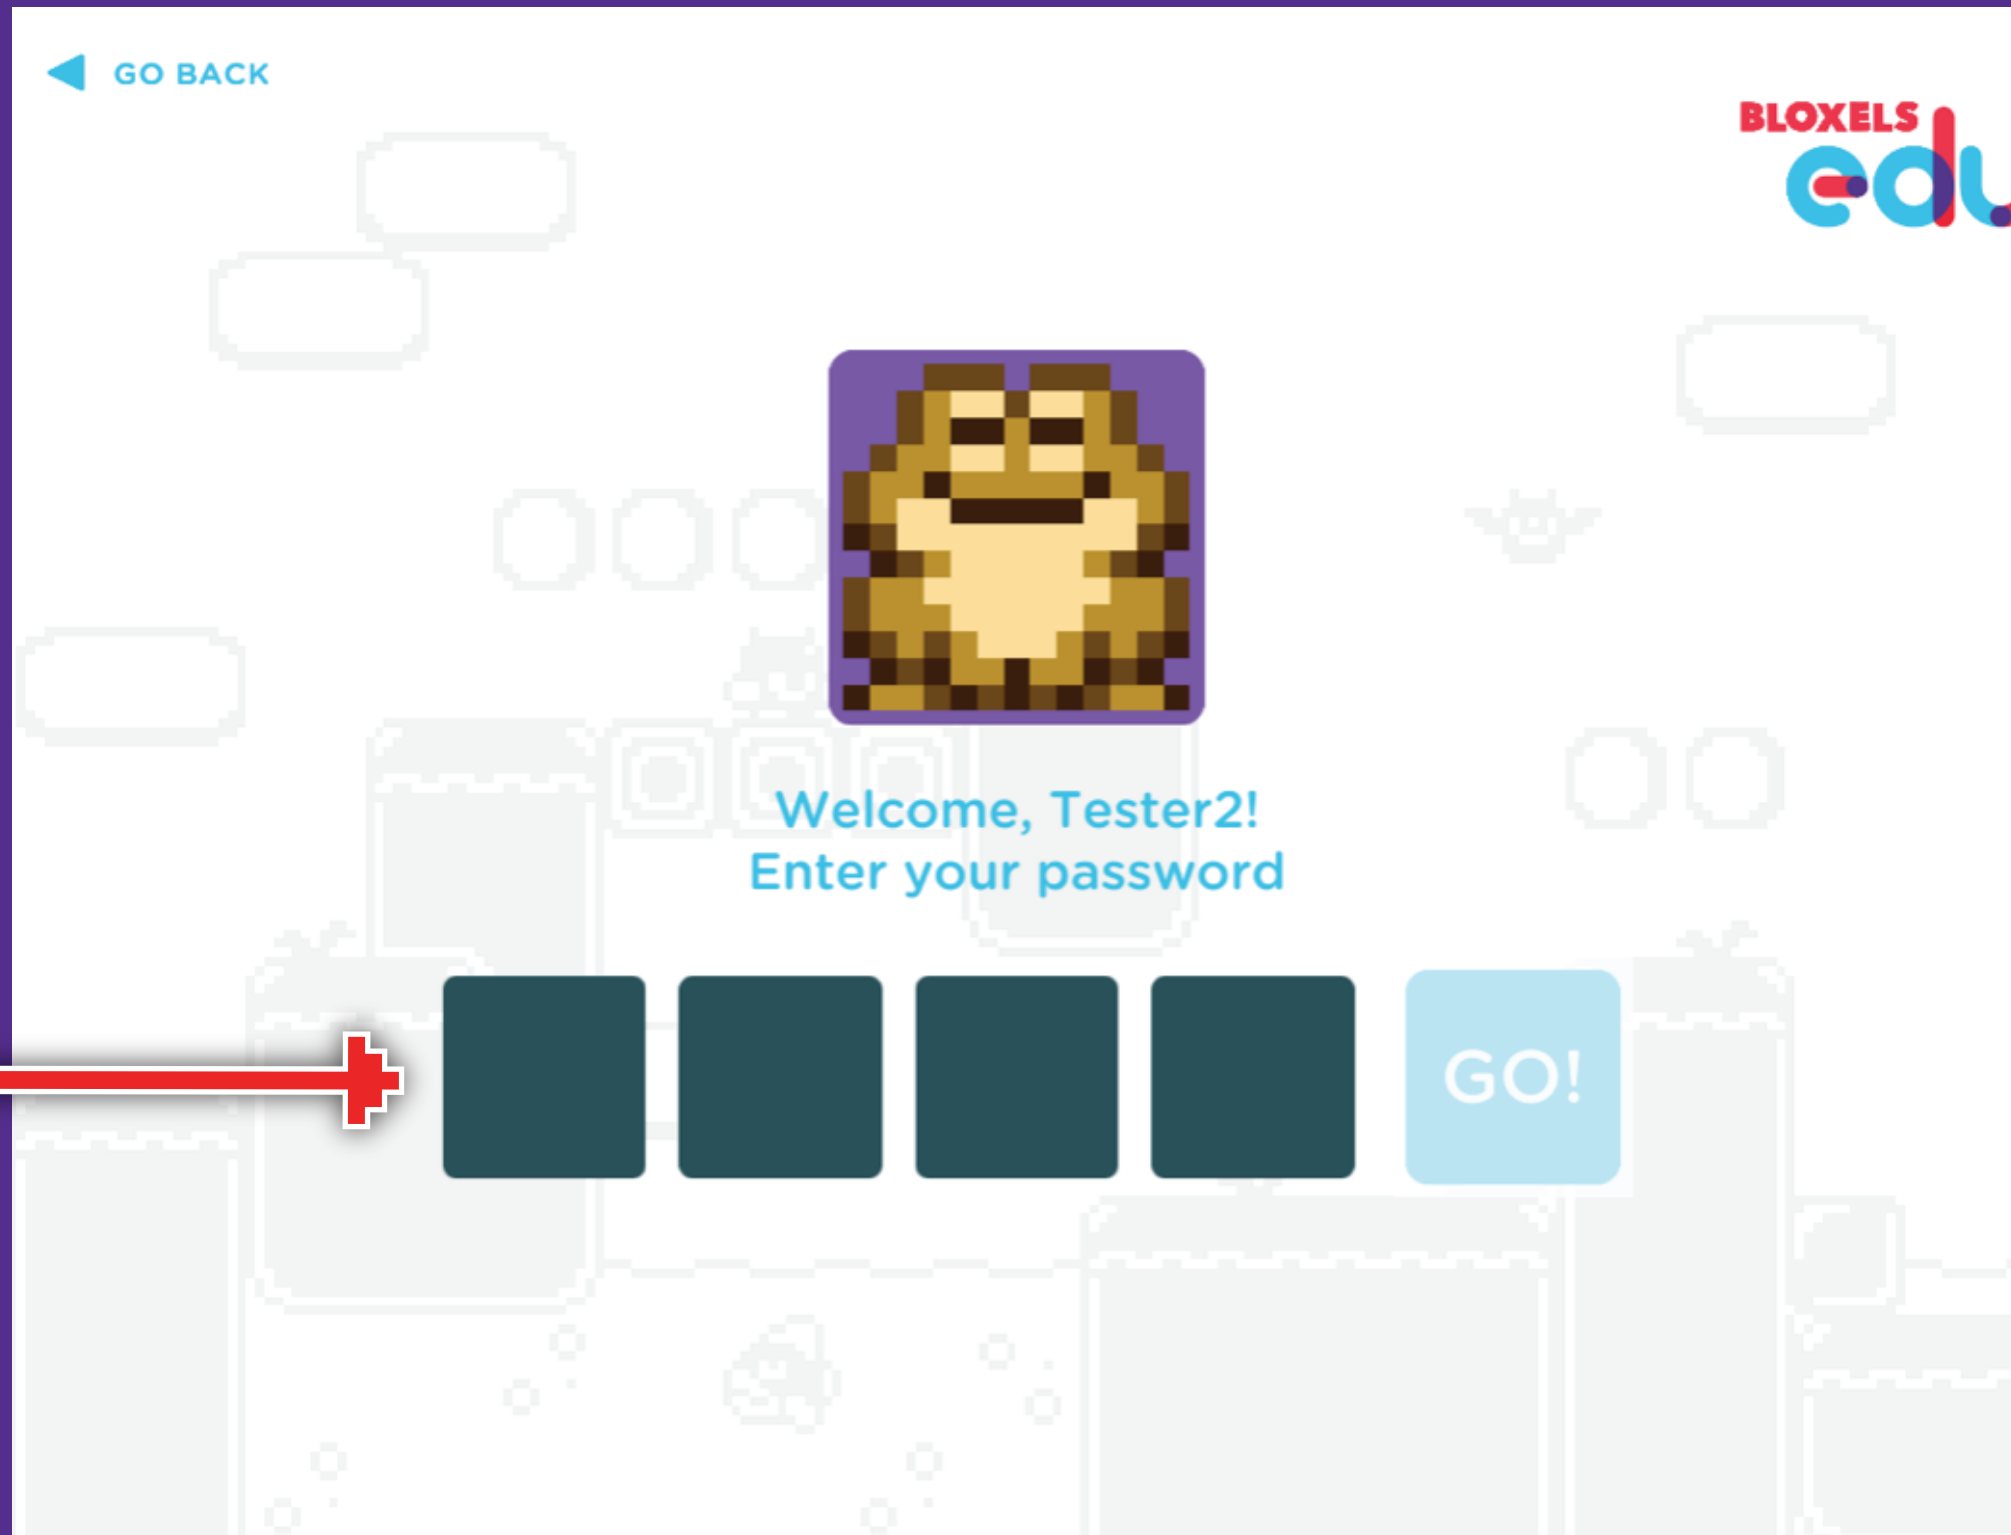

Each student should select themselves from the list

Bloxels EDU App - Logging In

Each student will need to enter their password (this can be found in the EDU Hub)

Enter Your
Password
Here

The login screen features a pixelated character with a yellow face and brown body, wearing a purple shirt, centered in the upper half. Above the character is a blue arrow pointing left with the text "GO BACK". To the right of the character is the "BLOXELS edu" logo, with "BLOXELS" in red and "edu" in blue. Below the character, the text "Welcome, Tester2!" is displayed in blue, followed by "Enter your password" in blue. At the bottom, there are four dark teal password input boxes and a light blue "GO!" button. A red arrow points from the text "Enter Your Password Here" to the first password input box.

The EDU Hub - Student Accounts

Toggle the passwords on in the EDU Hub to see what their password is

The screenshot shows the BLOXELS edu. interface. On the left is a sidebar with navigation links: RESOURCES, TUTORIALS, and CLASSES. Under CLASSES, there is a list of events including 'Game Jam McHenry', 'class ice18', 'Game Jam 11/14', 'Taylorville Jam', 'Troy Game Jam', 'BIOME2019', 'Tulsa Training 3/14', 'testy', 'Think Camp Jam', and 'Game Jam 10'. At the bottom of the sidebar, it says 'ACTIVE STUDENT ACCOUNTS 310 OF 4985'.

The main content area is titled 'CLASSES' and has a 'CREATE CLASS' button. Below this is a navigation bar with 'Events' selected, and tabs for 'STUDENTS', 'CLASS LIBRARY', 'ASSET PACKS', and 'ARCADE'. The 'STUDENTS' tab is active.

Below the tabs, there is a 'Class Code: EVENTS' button, a search bar labeled 'Search: LAST NAME OR USERNAME', and a 'Show Passwords' toggle switch which is currently turned 'ON'. To the right of the toggle is a red arrow pointing to it with the text 'Toggle On/Off'.

Below the search bar, there is a grid of student accounts. Each account card shows a pixel art avatar, the name 'Tester 1' through 'Tester 5', and a row of four colored buttons with numbers. The first card (Tester 1) has blue buttons with the number '1'. The second card (Tester 2) has red buttons with the number '2'. The third card (Tester 3) has purple buttons with the number '3'. The fourth card (Tester 4) has pink buttons with the number '4'. The fifth card (Tester 5) has orange buttons with the number '5'. A red arrow points to the row of buttons for Tester 2 with the text 'Student Password'.

Success!

Enter the password then tap “GO!” to successfully log in
